

### **Same Day Assessment**

Assessment must be booked with the Pest Doctors office via phone, email or website enquiry before 1pm to meet the same day money back guarantee. Money is not paid but taken off the total amount of the Termite Management system if the Pest Doctors team can't complete the Same day Assessment.

### **Price Beat Guarantee**

Pest Doctors have spent years developing relationships with our supplier and strive to deliver the highest standards for the lowest price. To offer our clients the best service at the best price were pleased to offer a 5% price beat guarantee.

You must provide a written quotation outlining the same service including treatment areas, products used and warranty periods to meet the price beat guarantee. The company must carry appropriate Licenses and Insurances. Price match doesn't apply with any coupon or other special deals. Price match is only applicable at the time of the treatment.

### **Termites Gone for 8 years**

Pest Doctors installs all Termite management as per the Australian standards and Manufacturer labels. All warranty terms are subject to Annual Termite Inspections as per Australian standards, Manufacturer labels and Insurance recommendations. Recommendations from the report are up to the owners to implement to reduce the overall risk to the property. All warranty terms will be outlined on the Termite Management Quotation.

### **Free Termite Assessment**

This is not a full Termite Inspection to Australian standards. However the Pest Doctors team will check the areas of concern, Assess the overall risk to the property and advise on long term termite protection to the dwelling. A full Termite inspection to Australian standards will be carried out by a Licensed Pest Doctors Technician prior to any Termite Treatment taking place.
